Midweek Bible Study Paul had only a brief time to establish the church in Thessalonica before being forced out of town by persecution leaving behind a fellowship composed completely of new Christians.

Concerned for the survival and health of this vulnerable fellowship, Paul sent his protégé Timothy to investigate. The report was better than expected. While still working through the challenges of being new to the faith even as they were persecuted, the fellowship stood strong. These letters reveal how Paul helped them address many of the changes of learning to live as a follower of Jesus. Join us each Tuesday at 1:30 PM or 7:00 PM at the mall facility to examine what he communicated to them and how it can guide us in our own challenges.

Vision Team Meeting following worship today.
